English Equivalencies

Day Time (SELS)	CE	General Arts & Science(GEA)
EAP300	ESL932/933*	EAP130
EAP500/EAC149	ESL934	EAP230
COM101	COM101	
EAC594	EAC897	
TEC400	EAC390	

*There's no direct equivalent in CE for EAP300 because of the difference in # of hours in the courses. If a student is evaluated at EAP300 and wants to go to CE, it is probably more straightforward to place them in ESL933 so that they can go straight to ESL934 and qualify for COM101.
